

CONSULTING

INTERNATIONAL EDUCATION, STUDIES AND CAREER OPPORTUNITIES BETWEEN TUNISIA AND EUROPE

BR Consulting supports international talents on their journey to Europe and assists companies, schools, training centers, and universities in recruiting qualified and motivated candidates.

ABOUT US

OUR STORY: BUILDING BRIDGES BETWEEN TALENT AND OPPORTUNITIES

BR Consulting was founded on the belief that talent knows no borders.

Many young people in Tunisia are highly motivated, multilingual, and eager to develop their careers internationally. At the same time, companies, schools, training centers, and universities are looking for reliable, well-prepared, and committed candidates.

This is where BR Consulting comes in: we connect both sides through a structured, personal, and reliable process.

OUR MISSION

We connect motivated young talents from Tunisia with vocational training companies and educational institutions in Germany.

At the same time, we support organizations in finding suitable candidates — through a transparent, personal, and free-of-charge process.

Our goal is sustainable integration that creates long-term perspectives for both companies and candidates.

OUR VISION

We believe in a world where talent knows no borders.

Young people should have access to professional education and real opportunities regardless of their background.

Through our work, we build bridges between cultures — through education, trust, and collaboration.
